**WE EQUIP THE BEST MINDS IN COMMERCIAL REAL ESTATE
WITH KNOWLEDGE, SKILLS AND PROFESSIONALISM**

The Washington Chapter is one of a network of 60 created to improve benefits to CCIM members and increase their involvement in the CCIM Institute. The chapter encompasses Washington and northern Idaho and has nearly 200 members from various real estate and real estate-related firms. Our chapter provides its members with the best in networking and marketing opportunities, designation promotion, candidacy guidance and educational opportunities. Chapter membership is open to anyone involved in commercial real estate.

Networking & Marketing

Our chapter meets regularly on the second Wednesday of the month, except the summer months (June-August). These luncheons feature presentations from industry professionals on a variety of topical issues. The chapter also co-host an annual golf tournament in June and provides other networking opportunities throughout the year as well.

Education

Enhance your knowledge. Our chapter sponsors several CE courses each year in Kirkland. We offer several scholarship opportunities each year for tuition assistance. In addition, we offer quality commercial real estate education programs - in conjunction with the monthly luncheons. These programs are open to Members for no additional charge beyond the cost of your lunch while earning continuing education credit toward real estate license renewal.

Designation Promotion

Promotion of the CCIM designation is a chapter priority. We publish congratulatory ads of new designees and also feature notable transactions in the Puget Sound Business Journal and Daily Journal of Commerce on an ongoing basis. Our chapter newsletter is another opportunity to spread the word on the benefits of doing business with a CCIM.

Membership

Membership = Savings. Members always receive the lowest rates for all chapter activities. Members save over 30% on luncheon fees, up to 50% on chapter education programs and \$50 off local CE Core classes when registered for the CCIM Passport. Annual membership fees for Designees and Candidates are \$120 and \$135 for affiliates (licensed or non licensed).

As with any professional organization, the greatest value of belonging to the Washington State CCIM Chapter lies in the opportunities you now have to network with other commercial investment real estate professionals throughout the Puget Sound area.

Sponsorship

The Chapter offers a range of opportunities for companies to gain exposure and promote their services to the commercial real estate community.
